Dear Sir/Madam,

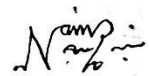

**APPLICATION FOR ANY POST IN YOUR COMPANY**

Refer to the above matter, I express my interest in applying for any position in your company which is related to my field of study and my work experience as it is showed in my resume. I am sure to contribute good things to your prospering organization if given an opportunity to work with you.

I have worked as a Systems developer for almost four years as it is analyzed in my CV, and I have gained enough skills related to the job. I also possess exceptional analytical and management skills, which made me execute all of my duties effectively. I am looking forward to receiving a positive response from you.

I am very excited to share my skills and knowledge with you. I am welcoming the probability to have personal communication with you to discuss my credentials. Please contact me at your most convenient time through my phone number or email address provided.

Your's Faithfully,

Arthur Mwang'onda
